

Sing with a Spider

Music in movies is used to help tell the story. "We've Got Lots in Common" is from a movie you may know. **Sing** along with the animals in this song.

CD 12-25

We've Got Lots in Common

from *Charlotte's Web*

Words and Music by Richard W. Sherman and Robert B. Sherman

REFRAIN $\frac{3}{4}$ G₇ C

do- 1. Oh, we've got 2., 3. 'Cause we've got lots in com-mon where it real - ly counts.

G₇ C
Where it real - ly counts, we've got large a - mounts.

G₇ C
What we look like does - n't count an ounce.

G₇ Last time to Coda \oplus C
We've got lots in com-mon where it real - ly counts.
(Wilbur) 2. *...*

Another Song from a Story

Listen to *Circle of Life*, a song from another movie. What do the words tell you?

CD 12-27

Circle of Life

from *The Lion King*
by Elton John and Tim Rice

This song is about appreciating the mystery of life.

VERSE

(Bird) 1. You've got feath-ers, I've got skin, but both our out-sides hold us in.
got a beak and I've a snout, but both of us can sniff a - bout.

(Cow) I've got hooves, you've got webbed feet, but we both stand up to eat,
(Horse) You'll say "quack" and I'll say "neigh," but we're talk - ing ei - ther way,

Coda

real - ly counts. _____

(Charlotte) 3. You're born to swim and me to spin,
but we all love this world we're in.
We share the sun, the earth, the sky
and that's the reason why
We've all got . . . (D.S.)
